Welcome to Bowhunting Safaris South Africa

We are situated in the Limpopo Province of South Africa in a legendary hunting area. The Hunting grounds have been tested and many successes have been achieved at our concessions. Our slogan is what we live for “Bowhunting at its Best”

We are geared to accommodate the absolute beginner as well as the well-travelled client. Friends hunting together, father and son hunts, women hunters - this is the ideal place to share an unforgettable experience with your family and to spend quality time with them. We believe in hunting as a fair chase,showing natural behavior or the inclination to escape from the hunter and being completely free to do so. Finding the suitable trophy is a burden we happily carry
